## BRIDAL & GROOM FLOWERS

- Bridal bouquet £110 \*\*
- Bridesmaid bouquet £65 \*\*
- Groom buttonhole £15
- Adult buttonhole £10
- Childrens buttonhole £7.50
- Pin on corsage £15 / Wrist corsage £25
- Childrens flower crown £35 \*\*

## CEREMONY FLOWERS

Garland is priced at £18.75 per foot for hand-tied. Hand-tied has more of a flatter finish to the table. For a fuller finish, I can use a foam base garland, which is £30 per foot.

Central registrar arrangement £175\*\*

Floor arrangements £85 each – These can be moved after the ceremony to create a floor meadow in front of the top table.

These are just a selection of my most popular designs

Broken arch – I use a sustainable & artificial foliage base for my arch designs.

Once all the fresh foliage and flowers have been added, you will never be able to tell that it has an artificial base! It just means that I can keep the cost lower than if I was to make the arch all from fresh!

It's £550 for the broken arch or £750 for the full arch, Please see the hire collection for further options.

## WEDDING BREAKFAST FLOWERS

Bud vases – £15 each

Stand arrangement (like pictured at the top) £125\*\*

## LABOUR & MILEAGE

In addition to the flower quote I charge a labour and mileage fee.

Labour cost includes but is not limited to consultations, quote preparation, venue visit(s), ordering and collection of products, conditioning and preparation of flowers, setup, delivery and collection of flowers/hired items and clear down and the cost of an additional florist to assist me where required.

The total cost is very dependent on the options you choose as it's priced per hour at £20ph. Mileage £0.60 per mile from studio in Thorpe le Soken.
